Dear Barbara McGuire,

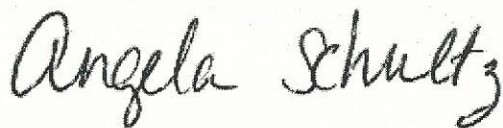

It is with great pleasure that I inform you that the Arizona Chapter of the National Association of Social Workers Political Action for Candidate Election (PACE) Committee has endorsed you as a candidate for the upcoming election. We are truly excited to support you in this effort and are pleased to assist in any manner possible!

As an endorsed candidate, your name will be listed on the member's only section of the NASW Arizona Chapter website.

Upon communicating endorsements to Arizona social workers, the PACE committee will also help to mobilize voters to support endorsed candidates through donations, volunteering, and voter mobilization (get out the vote) efforts. The PACE Committee will also review its list of endorsed candidates for opportunities for direct campaign contributions.

We thank you for your dedication to crafting public policy at the state level and we appreciate your support of the National Association of Social Workers' goals and mission.

Sincerely,

Angela Schultz, MSW
Chair, AZ NASW PACE
